

# Multi-Lite Fixed Skylights

Double Hip, Pyramid & Flat

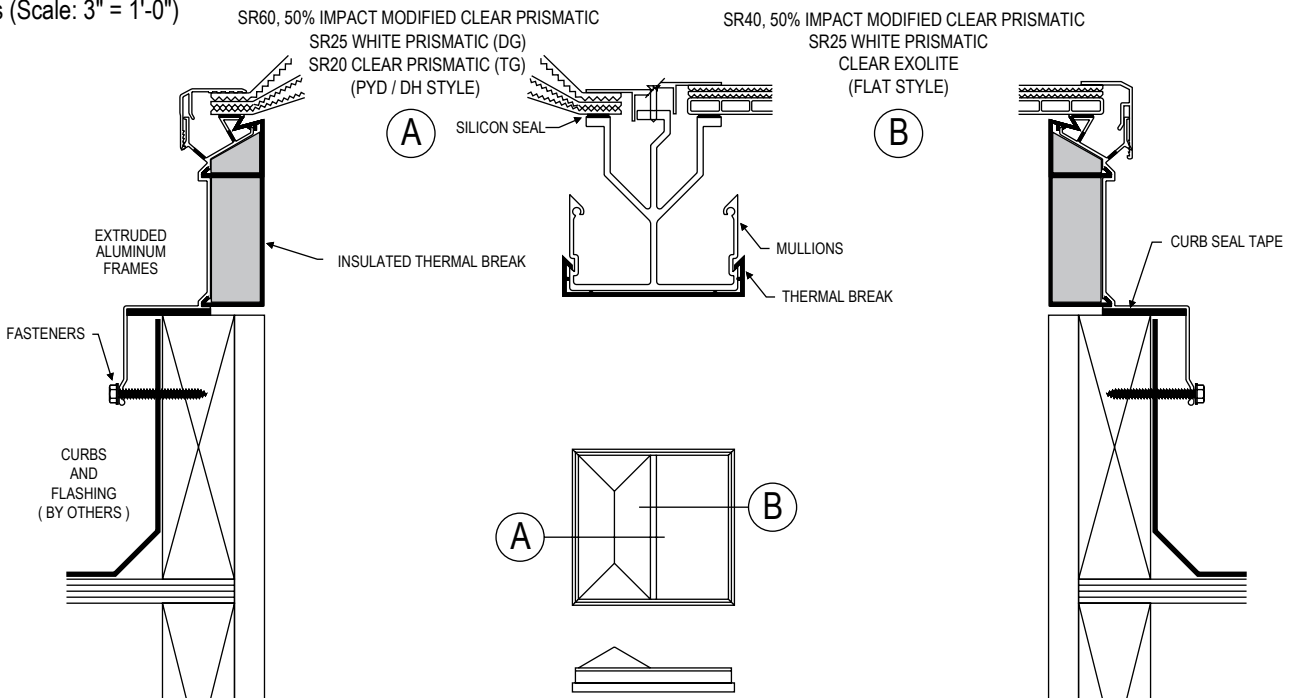

## Frame Model 800SB

### KEY FEATURES

### PRODUCT PROFILE

Details (Scale: 3" = 1'-0")

### SPECIFICATIONS

Skylights shall be Sunoptics model 800SB Multi-Lite ( curb mounted ) as manufactured by Sunoptics Skylights, 6201 27th Street, Sacramento Ca. 95822 916/395-4700

Skylights shall be glazed ready for installation.

Skylights frames shall be fabricated from 6063 T6 aluminum, finish to be specified. Frames shall have integral condensation and weepage gutters which drain interior moisture to the outside. Corners shall be mitered and welded. The acrylic glazing shall be separated from the skylight frame with an EPDM rubber air seal gasket.

Individual lights shall be joined by an aluminum extruded mullion integral to the skylight frame, quantity as required for skylight size.

1) Flat Skylights shall be Triple glazed using 50% Impact modified Clear prismatic outer lens over White prismatic middle lens over Clear Double Skinned acrylic lower lens.

2) Formed Skylights shall be Double glazed or Signature using 50% Impact Modified Clear prismatic outer lens over White prismatic inner lens, or Triple glazed using 50% Impact Modified Clear prismatic outer lens over White prismatic middle lens over Clear prismatic lower lens.

Double Hip and Signature units are tested and certified to AAMA/WDMA/CSA101/LS.2/A440-05 to comply with section 2405.5 of the International Building Code.
